FOR IMMEDIATE RELEASE

TRAFFIC ADVISORY **Closure of Ebbetts Pass (State Route 4) and** **Sonora Pass (State Route 108)**

Ebbetts Pass in Alpine County and Sonora Pass in Tuolumne County – The California Department of Transportation (Caltrans) closed State Route 4 over Ebbetts Pass, and State Route 108 over Sonora Pass today, November 22, 2010. The recent storm and the upcoming weather predictions make it necessary to close these passes for the winter.

“The weather conditions on the passes and road conditions are the determining factors for the closure,” said Caltrans Maintenance Superintendant, Jon Bevan. “Caltrans closed Ebbetts Pass and Sonora Pass for the safety of motorists and Caltrans crews,” said Bevan.

For the latest road condition information, tune your radio to the Caltrans Highway Advisory Radio (HAR) at 530 AM or 1610 AM or call our Road Condition Hotline at 1-800-427-ROAD (7623). Changeable Message Signs with flashing beacons will have information regarding the pass closure.

Winter weather and road conditions can change rapidly. Motorists should expect the worst conditions and be prepared. All vehicles including those with four-wheel drive or snow tires should carry chains when traveling during snowy weather. If you don't have chains in your possession, you may not be allowed to proceed. When highway signs indicate that chains are required, you must stop and install chains or risk being cited and fined.

NEWS RELEASE

CHAIN CONTROL REQUIREMENT LEVELS:

No Restrictions - Watch for snow on pavement.

R-1: Chains are required on all commercial vehicles (trucks or buses). All other vehicles (cars, pick-ups, vans, etc.) must have either snow tread tires or chains on the drive axle.

R-2: Chains are required on all vehicles except four-wheel drives with snow tread tires. Four-wheel drive vehicles must carry chains in the vehicle.

R-3: Chains required - ALL VEHICLES - no exceptions.
